

What others are saying...

I have purchased Baby bottles for our campaign in the past and this year. They are beautiful and it gets the message out perfectly. Evelyn

We love the look and quality of these bottles! The amount of change that we get returned to us pays for the bottles that we lose every time. Great product for your money. Jennifer

The baby bottles are a great way to raise money and awareness in your community. They are beautiful and eye catching. Betty

We just received our Baby Bottles and love them! They are such an easy way to fund-raise. Love the design and little cards that came with them. Marion

Not only are these baby bottles very very cute, they are also great quality that have lasted through many baby bottle drives. Every Pregnancy Center should definitely invest in these bottles for the baby bottle drive! Krys

We love these baby bottles! We have had them for many years, but recently need to order more as they do disappear over time. Great fundraiser for us. Marion

Love these bottles! They provided a great fundraiser. The logo is great and liked by families and churches. Jeannie

I use the baby bottles in our church's annual fundraiser for our local PCP from Mother's Day through Father's Day. They have sparked much interest and allow less vocal proliferers to be more supportive. John

A great way to get others involved in the work of life affirming ministry of all ages. This has been an effective tool in raising support and when the bottles are filled we offer tours of our center which opens the doors to further engagement. Linda

These bottles have a great message! They are attractive and professional. They are used in a great way for fundraising for pregnancy care/crisis centers. We send them out through your children's ministry as well as church wide. We can use them year round but love to send them home for Mother's Day and pickup at Father's Day honoring the full family circle! Jeannie

The baby bottles have been a financial life saver for our crisis pregnancy center. We are a newer center. The bottles have been a great way to get the pro life message out while raising much needed funds. Sharon

Perfect for baby bottle fundraisers. Great material and very stylish compared to some of the cheaper bottles we've used. Whitney

We love these bottles! They have held up and served us well for a long time. Jenny

We have used these bottles for two years, they are awesome. Stephanie

The baby bottles were very eye catching and effective being well received bring in more money than plain bottles. The tags were very easy to attach and drew attention to what was printed on them. OFCC

Ordering baby bottles from Heritage is the best. We needed an emergency shipment since we ran out at a church campaign, and we had replacement bottles by the next weekend. Ana

The ultimate way to raise funds! Distribute these bottles to your supporters with a request that every night they empty their change into the bottle, when it is full, turn it back in. It's as easy as that! Give your campaign a month, but at the end you will discover that it was an easy way to raise a significant amount of money with little manpower and time on your part. Rhonda

5 stars plus! We did this fundraiser at our parish and it was a huge success! Thankful for the positive response. Maria

These bottles are so much nicer than others we have used. Debbie

Excellent quality bottle for re-use during our spring "change" campaign. Mollie
